

DO YOU KNOW HOW HYDROPONIC TOMATOES ARE GROWN?

We want to teach you ...

Come and visit the Flavorite Farm in Warragul, in South Eastern Victoria, and we'll show you how hydroponic tomatoes are grown from seedling through to the sweetest, most delicious tomato you've ever tasted!

Enjoy a tour, sample our mouth-watering tomatoes and enjoy the fresh country air!

We are happy to conduct week day tours for upwards of 20 people, including school-aged children.

Flavorite Tomatoes are committed to encouraging healthy nutritional habits from an early age and want to make this a fun, learning, hands-on experience.

Check out our website for lots more information & recipes
